Dear Parent:

Welcome to the Fall 2016 semester! This letter and the enclosed bucks slip provide important information for you and your student about the Skyhawk Card, Point University's official ID Card. The Skyhawk Card is required for your student to access essential campus services and facilities—including meal plans, residence halls and, soon, library privileges. Students should carry their card at all times while on-campus.

Skyhawk Bucks is our campus currency. Skyhawk Bucks is a prepaid spending account on the Skyhawk Card that is accepted at our campus bookstore, dining locations, select vending machines, laundry facilities and copy and print locations. Popular off-campus businesses also welcome Skyhawk Bucks including Miso Sushi House, Railroads, Terri's Mill Village Café, and more. Since the account is prepaid, spending is limited to the amount you or your student deposit. There are no fees to load or use Skyhawk Bucks, and its value carries over each semester and year. Visit www.acceptinglocations.com/skyhawkbucks for the most up-to-date list of accepting locations.

Online Tools and Resources. You and your student can have 24/7 access to our secure web account center. You can add value to Skyhawk Bucks, check balances, view transactions and more for both their meal plan and Skyhawk Bucks accounts. Encourage your student to register for online access at www.acceptinglocations.com/skyhawkbucks and establish a Guest User account for you as soon as they receive their Skyhawk Card. (They must have the card in hand to register.)

Have Your Student Ready. Fund your student's Skyhawk Bucks account today to be ready for the start of the semester. You can add value before he or she receives the card by going to the website and clicking "Add Skyhawk Bucks" at the top and using a debit or credit card. Choose the amount that works for you; you can reload the account anytime from your phone, tablet or PC. For additional information and to add value, please visit www.acceptinglocations.com/skyhawkbucks or call **1-706-385-1000** Monday–Friday 8am–6pm (EST).

We hope you and your student enjoy all the benefits of the Skyhawk Card and Skyhawk Bucks.

Sincerely,

Troy Higdon, CASP
Director of Auxiliary Service

How to easily manage student spending:

We encourage you to make a deposit to your student’s account prior to them arriving on campus so they are ready to make all of their back to school purchases. Adding value to Skyhawk Bucks is easy—make a one-time deposit or several smaller ones throughout the semester. Please see the budget chart below if you are unsure of how much to add. You also have the option of setting up an Auto Reload schedule, allowing you to create your own schedule to automatically add value to your student’s account. To use advanced features such as Auto Reload and Guest Accounts, your student must first register the card. Visit www.acceptinglocations.com/skyhawkbucks and click on “Check Balance” and follow the instructions.

To Add Value Online: www.acceptinglocations.com/skyhawkbucks Use “Add Skyhawk Bucks” to make a one-time deposit. No login is required.
